*The plumbing contractors listed above are provided as a convenience for property owners eligible for the Inflow and Infiltration Reduction Program. This list represents plumbing contractors who attended an informational meeting and/or received information to become more familiar with the program and requested to be included on the list. This is not, however, an all inclusive list of licensed plumbing contractors that are eligible to provide bids or perform work for the Inflow and Infiltration Reduction Program. Any plumbing contractor is eligible to make bids or perform work provided that they have a Lee's Summit business license. This list is provided for informational purposes only and is not intended to be an endorsement of any company by the City of Lee's Summit. For more information on inflow and infiltration and the inflow and infiltration reduction program please visit lswater.net

Plumbing Contractors - To be included on this list, please call 816-969-1930.
