Bomb Selfie Studio	We would provide a spot for visitors to create the perfect selfie as they move from booth to booth. It's a fairly new idea, mostly popular with millennials due to the popularity of Instagram, TikTok, and other social media platforms. The photo booths would be interactive, and themed which would allow for visitors to create the perfect selfie, or group photo. The booths would have their own ring light to attach a smart phone to, if needed.	1217 NE RICE RD, LEES SUMMIT, MO 64086
