UDO=Unified Development Ordinance Adopted by Section 27-Sudivision Regulations and Section 33 Zoning, of the Lee's Summit Code of Ordinances. Most current version of UDO available on line at https://library.municode.com/mo/lee's_summit/codes/unified_development_ordinance

1. Includes smaller plantings or ground level landscaped beds, small gardens, small flower beds, and small decorative rocks.
2. Includes any structural member to reinforce the retaining wall, raised landscape beds supported by landscaped blocks, timbers or concrete.
3. ALL encroachments shall be considered NON ALLOWED where drainage is altered or impeded.
4. Any trees or shrubs within the sight triangle or which create a sight distance problem are considered NON ALLOWED.
5. Where the parking lot has curb and gutter, maintain a minimum of 4 feet horizontal distance from the utility line to the curb and gutter if the utility is parallel to curb.
6. Conditioned upon underground routing of storm drainage (i.e., 1% annual storm) beneath the surface.
7. Private water, sanitary sewer, electric, gas, telephone lines should cross easements and right-of-way at approximate right angles.
8. Cannot impede access for intended purpose.
9. Aviation easements include Runway Protection Zones, Runway Safety Zones, Transition Zones and other areas defined in Article 5, Division 1 – Airport Overlay District, in the UDO. In addition to the conditions of this policy, all work within the ground footprint of an aviation easement requires an FAA Form 7460 to be completed and submitted to the FAA for approval to evaluate an object's impact on airport operations.
