Altered dates due to Holidays

These tracts are projected as the City Council schedule for 2028 has not been approved

This track does not include applications for public hearings.

Complete applications submitted by the deadline day will be tentatively placed on the agenda as shown. More complex projects may take additional time.
If missing information is not submitted by the deadline date, the application will be delayed.

*An additional Planning Commission Meeting may be scheduled on, November 25 and December 23 necessary for agenda management.

** At the completion of this review, City staff will determine if the application is ready to move forward to public hearings or if an additional resubmittal is required. If an additional resubmittal is required the new public hearing dates will be determined based on when the required resubmittal is received.
